Leslie

I'll get back to you on monday on the failure to comply with the court order Lauren emailed about.

I will point out that no motion to compel is required to have a party comply with a court order, even Dave Ramsey.

Hopefully we can get it worked out

Jon

Jon and Lauren - attached are the remaining agendas for staff meetings through December 2020. We are sending the recordings but the files are very large and keep getting bounced by Mimecast. We are breaking them up into smaller files. We will send them on Monday along with the slip sheets.
